

IDAL

INVEST IN LEBANON

**AGRICULTURE
EXPORTERS
DIRECTORY**

BACKGROUND

This directory will provide you with basic information on the major fruits and vegetables exporters in Lebanon that registered in IDAL's Agri Plus program in 2012 - 2013. This directory aims at providing interested importers of Lebanese products with accurate and relevant information for a successful business partnership. The information present will easily help you find business partners and suppliers by product type and location, you will notice that many of the exporters are present under more than one product category. The basic scope of information covers contact information, product description and region.

We wish you develop successful business relationships!
