

LIST OF PAYMENT GATEWAY PROVIDERS IN LEBANON

2016

This directory includes a list of payment gateway providers recently established in Lebanon. The list is non-exhaustive, and serves to give interested stakeholders an overview of the Lebanese ecosystem; it will be regularly updated to include new industry players. If you are a payment gateway provider and wish to be listed in our directory, please [contact us](#).

The logo for VIA MOBILE features the word "VIA" in a bold, blue, sans-serif font, followed by "MOBILE" in a lighter blue, sans-serif font. To the left of "VIA" is a stylized blue and white icon consisting of two slanted parallel lines.

VIAMOBILE

Viamobile provides mobile payment solutions to corporate and retail customers. On a corporate level, Viamobile solutions make it possible for partners to offer mobile money services to their clients by building tailor-made services that facilitate financial transactions. For retail customers (any mobile phone holder), Viamobile solutions allow them to purchase goods, pay for a multitude of services, and conduct banking transactions with affiliated banks conveniently and securely.

The logo for CMO features the letters "cmo" in a stylized, lowercase font. The "c" is blue, the "m" is green, and the "o" is blue. Below the letters is a green horizontal line, and underneath that is the tagline "Changing the way you pay" in a smaller, blue, sans-serif font.

CMO

CMO is a mobile payment application which enables customers to make direct on-line payments to merchants, and to transfer money or withdraw cash without a card from any cardless ATM. Participating banks include BBAC, BML, Byblos Bank, LGB Bank and SGBL.

The logo for CASHU features the word "CASHU" in a bold, blue, sans-serif font. Below it is the word "COMMUNITY" in a smaller, blue, sans-serif font. To the right of "CASHU" is a stylized icon consisting of three overlapping shapes in blue, red, and yellow.

CASHU

CASHU is a payment method designed for and customized to suit, serve & support online shoppers in all Arabic speaking and surrounding countries with accessible and easy ways to use payment solutions. CASHU works as an electronic wallet where customers use pre-paid cards to shop online and pay bills in the region.

The logo for MT2 features the letters "MT2" in a bold, orange, sans-serif font. Below it is the tagline "Mobile Technology Tomorrow" in a smaller, blue, sans-serif font. To the left of "MT2" is a stylized icon consisting of three vertical bars of increasing height.

MT2PAY

MT2PAY is a 24/7 mobile payment transaction application that gives end-users the ability to purchase by SMS payment digital and music content as well as virtual games from any website owners or digital content publishers. Participating Merchants include telecommunication operators Alfa and Touch.

The logo for pinpay features a stylized icon consisting of four overlapping shapes in purple, blue, and red, followed by the word "pinpay" in a lowercase, blue, sans-serif font.

PINPAY

PinPay is a mobile payment service that allows customers to pay various bills, purchase vouchers and gift cards as well as carry out many other transactions «anywhere, with anyone, anytime». PinPay is owned and operated by Bank Audi and Bank Med, and is licensed by the Central Bank of Lebanon.

The logo for NetCommerce features the word "NetCommerce" in a blue, sans-serif font. The "N" is stylized with a red and blue circular element. Below the word is a red and blue graphic element consisting of three slanted parallel lines.

NETCOMMERCE

NetCommerce is a payment gateway which provides complete and simple online payment services with real time credit card transaction validation. This enables merchant websites to transact and accept payments online in real time. Lebanese partner banks include Fransabank and the Credit Libanais.
